

沿革

一九八一年三月由安大略省教育厅资助，伦敦中文学校在龙赖笑凤女士努力奔走下，正式创办，隶属於伦敦区天主教教育局。随后，该局继续在师资、资金、硬件设备等多方面大力支持。近来，伦敦市华人团体，如全加华人协进会、洪门民治党等团体也提供协助。伦敦华裔社区及非华裔社区的学生家长踊跃参与义工行列，使中文学校从最初十八名学生增至如今近三百名。龙校长带领早期教师们筚路蓝缕、艰辛开拓。从为数不多的学生情况，到目前学生排队注册的热络，前人种树的艰辛，后辈师生在乘凉之余，真应饮水思源而加倍努力，发扬光大本校得来不易的基础。

History

In March, 1981, with financial help from the Ministry of Education of Ontario, and under the determined effort and leadership of Mrs. Francoise Lung, the London Chinese School was officially established, guided by the London District Catholic School Board. The initial enrolment was 18 students. Present enrolment reaches 300. We must not forget that in the beginning, Mrs. Lung led the teachers to work hard and build the school on solid foundation. Those were the humble beginnings leading to the admirable state of the school today.

宗旨

本校开办的宗旨，乃极力延续中华文化，增强海外华裔后代以母语沟通的能力。在当今国际经济、文化大融合日趋强烈的需求下，地球村已是一种新的趋势。在此大背景下，如何使非华裔学生既可以得到良好的中文教育，也可以欣赏中华文化的精华，已成为本校发展校务的新动力。教育是百年树人的永续工程，需要有识之士共襄盛举。所有华人不管来自两岸、三地或五湖四海，都应全力以赴此项重任。

Aims and Objectives

In following the Ministry of Education's guidelines, the programs at the school aim to help maintain the continuance of Chinese culture for students of Chinese heritage and to develop appreciation of the culture for students of non-Chinese heritage. The language instruction programs aim to improve the ability of the next Chinese generation to continue to communicate in the mother tongue of their parents. More urgently, with global integration of economy and cultures firmly in place, the global village is an ideal with which we must embrace. It is very important to enable students of Chinese heritage and non-Chinese heritage alike to obtain the best Chinese language education possible as well as the ability to appreciate the cultural essence of China. Our school strives to equip ourselves to meet these demands. Education is a continuous mission for all people of the same mind to share, no matter where we are from.
